

REMARKS

Claims 1 to 12 are pending in the application and allowed.

Drawings

Examiner has requested a drawing showing the drive motor in conjunction with the system of the invention so that all features claimed are illustrated.

A replacement sheet Fig. 4 is submitted that shows schematically the drive motor simply as a labeled box. No new matter has been added.

Specification

The paragraph 0018 of the specification has been amended to reflect the drawing change of Fig. 4. No new matter has been added.

CONCLUSION

In view of the foregoing, it is submitted that applicant has fulfilled all requirements set forth in the Notice of Allowance and that the application is now in condition for allowance and such allowance is respectfully solicited.

Should the Examiner have any further objections or suggestions, the undersigned would appreciate a phone call or **e-mail** from the examiner to discuss appropriate amendments to place the application into condition for allowance.

Authorization is herewith given to charge any fees or any shortages in any fees required during prosecution of this application and not paid by other means to Patent and Trademark Office deposit account 50-1199.

Respectfully submitted on November 10, 2006,

/Gudrun E. Hockett/
